Liked the idea of continuing the trail to Altamont. More discussion on this next meeting.

Need to ensure stay on trail signs are placed where required.

Groomer - New Skid

Will called The Shop Industrial about skid delivery. Mid to end of January (Still on track)

Looking for a back haul. Rough cost is \$4,000 otherwise.

This is a wide load

Groomer Operator hired. Ried Wolfe. Welcome.

Should open the year with old skid, clear the way. It is currently at Walinga

If anyone comes across a pull behind skid for a snowmobile look at the possibility for access to Miami shelter.

Consider having a chainsaw in the groomer.

Trail Update

Few guys did sign prep mid-December

Ordered 500 orange stakes

Stakes for the main trail ready to go.

Trail extension to Altamont – Would have to put together a proposal.

Waiting for snow...

Shelter Update

Brought 2 crates of kindling there.

Did some minor cleaning, need to spend another afternoon/evening there yet

Outhouse is Rough. - Considering building a new one. Shane to look into.

Miami is good to go. Lots of firewood. Lots of early traffic.

Poker Derby

Possible routes. Miami gets a quick back and forth stop? What about the heavy two way traffic?

Lowest hand gets a prize as well?

Selling hands to non riders?

Multiple routes, do what suits your style. Helps spread out the riders.

Start time: 10:00

End Time: 6:00

Stage at McGees

\$10.00 per hand

\$20.00 for 3 hands.

Prize spending

\$5000.00 spending on poker derby prizes

\$1000.00 for misc costs – Advertising, volunteer lunches etc.

Will motioned to approve, seconded by Ryan. Approved

If no snow comes, contact all sponsors and explain the scenario.

Apparel

Anyone interested in Sno-Flies apparel? Do some more research.

Community Donation

Last year we did double donation to STARS. Recognition hanging in the shack.

This years donation: Fire Department? Stars? Baseball Diamonds?

Think about and make decision next meeting.
